

Infection Prevention & Control

B

Discarded Expired Alcohol Based Hand Rub (ABHR)

Removed Personal Items from Shower Room

Educated Visitors About Transmission Based Precautions and Encouraged Hand Hygiene

Confirmed ABHR has 60-90% Alcohol

Documented Indication/Duration of Antibiotic in Resident Chart

I

Performed Proper Hand Hygiene Before Entering Resident Room

Provided Positive IPC Feedback to a Colleague

Understood Precautions Should be Initiated Prior to Diagnosis

Knew Difference Between Enhanced Barrier and Contact Precautions

Properly Performed Blood Glucose Testing

N

Stocked PPE Cart for Transmission Based Precautions

Properly Performed Wound Care

Free Space

Communicated Resident's Diagnosis Upon Discharge or Transfer

Restocked PPE Cart

G

Displayed Knowledge of Contact Time

Confirmed Cleaning & Disinfection Products are on EPA List P

Used ABHR Appropriately After Doffing Gloves

Completed Annual N95 Fit Testing

Properly Disinfected Shared Medical Equipment After Use

O

Removed Items from Area in Sink "Splash Zone"

Flagged Resident's Chart for Communicable Disease

Used Gloves During Care of Resident with *C. Difficile*

Properly Donned and Doffed PPE

Attended a Training on Infection Prevention and Control

Goal: Mark off each box as you complete the indicated task and win when you get a BINGO (5 boxes in a row)!

Infection Prevention & Control Resources

CDC Project Firstline

Project Firstline offers educational resources in a variety of formats to meet the diverse learning needs and preferences of the healthcare workforce. Resources are designed to empower and enable healthcare workers to think critically about infection control, using adult learning principles, educational best practices, CDC recommendations, and the science that informs them.

<https://www.cdc.gov/project-firstline/index.html>

Massachusetts Infection Prevention and Control Resource Hub

Here you will find IPC trainings and educational resources for all healthcare staff, in a variety of languages.
